Address for electronic invoicing (receiver address)		Network operator for electronic invoicing
Invoicing reference / your own reference for the yearly user fee		
* Turnover of the company		

1) If company is a subsidiary also parent company information is to be given

Please mark at least one option for both questions:

*** Use of GS1 Company Prefix:**

- to code products
- GLN – Global Location Number
- SSCC – Serial Shipping Container Code (pallet label)
- GS1 Partner Network membership

*** We apply for a:**

- 11- digit company prefix (10 different GTIN codes / 1 million SSCC codes)
- 10-digit company prefix (100 different GTIN codes / 10 million SSCC codes)
- 9-digit company prefix (1000 different GTIN codes / 100 million SSCC codes)
- 7-digit company prefix (100 000 different GTIN codes / 10 billion SSCC-codes)
- GS1 company prefix for variable measure items (meat, fruit, vegetables etc.)

The GS1 admittance fee as well as the monthly part of the user fee, will be invoiced as you apply for the company prefix. You will receive an invoice for the above fees after you have sent us the application form. The amount of the user fee is based on the month you apply.

The admittance fees:

- 11-digit company prefix 60 € + vat 24 % = 74,40 € + rest of the year user fee
- 10-digit company prefix 200 € + vat 24 % = 248,00 € + rest of the year user fee
- 9-digit company prefix 500 € + vat 24 % = 620,00 € + rest of the year user fee
- 7-digit company prefix 3000 € + vat 24 % = 3720,00 € + rest of the year user fee
- GS1 company prefix for variable measure items 500 € + vat 24 % = 620,00€ + rest of the year user fee

In the future the service fee is an annual, company turnover based fee.

You can find our Up-to-date pricelist on our website www.gs1.fi or request it from our customer services.

When GS1 Finland Oy allocates a company prefix for our use we commit ourselves to comply with the rules given by GS1 Finland and to pay an engagement fee and yearly user fees issued by GS1 Finland.

General terms and conditions for using the GS1 system from 20 April 2010

The agreement below specifies the rules for the relationship between GS1 Finland Oy and a registered user.

1. General

The GS1 system includes the following components:

- a) Numbering systems for the identification of products, services, parties and delivery units
- b) Standard for automatic identification
- c) Presentation of additional information in the GS1-128 system
- d) EANCOM standard for electronic data transfer in trade and other industries

A more detailed specification of the GS1 system is included in the GS1 User Manual, available from GS1 Finland Oy.

2. GS1 Finland Oy's obligations

GS1 Finland Oy keeps a register of allocated company numbers, maintains the GS1 system and provides general user instructions and guidance on the GS1 system.

3. User's rights

The user is entitled to use the GS1 system in accordance with the rules specified in this agreement, together with the GS1 Company Prefix granted. The user of the GS1 Company Prefix may use the prefix solely on his/her own account according to this agreement. Use of the GS1 system for some other purpose constitutes a breach of contract.

4. User's obligations

4.1. Obligation to inform

The user undertakes to inform GS1 Finland Oy in writing of any substantial changes, such as changes in the user's name, address, contact person, phone number or turnover and cessation of business.

4.2. User's prefix

The uniqueness of the user's prefix must be ensured when specifying it. The user undertakes not to use the prefix for four years after the manufacture of the product ends.

4.3. Instructions

The user undertakes to follow GS1 user manuals and instructions provided by GS1 Finland Oy.

4.4. Fees

The user must in advance pay GS1 Finland Oy the granting fee according to up-to-date pricelist. The granting fee consists of a company prefix start fee and of a usage fee. The usage fee is defined by the month the user applies for the company prefix. The usage fee is based on the up-to date pricelist.

4.5. Term of payment

GS1 Finland Oy's term of payment is 14 days, after which penalty interest will be collected.

5. Prohibition of transfer

The user is not entitled, without GS1 Finland Oy's consent, to transfer the rights under this agreement to a third party, pledge them, rent them or use them in any other way.

6. Limitation of liability

GS1 Finland Oy accepts no liability for the use of the GS1 system for the user's purposes, nor for an identification system comparable to the GS1 numbering system.

7. Agreement term and termination

This agreement enters into force when GS1 Finland Oy informs the user of an allocated Company Prefix, and remains in force until further notice. The user may terminate the agreement in writing giving one month's notice. If the user terminates the agreement, the annual usage fee already paid for that calendar year will not be returned. GS1 Finland Oy is entitled to terminate the agreement with immediate effect if the user has committed a material breach of contract or endangered the functionality and reliability of the GS1 system in some other way. Delays in payment of the annual usage fees are always considered a fundamental breach of contract. At the end of the agreement, the user must immediately stop using the GS1 Company Prefix and utilising the GS1 system in another way that would require its registration.

8. Disputes

Any disputes arising out of this agreement shall be resolved by the Helsinki District Court.
